Sara- I think that you or I can sign. I am happy to do that- and take the risk. I have been in regular contact with my mgt on this.

Sara,

I need to send the completed blueprint waiver forms forward to be uploaded into Tracker and sent to OP for approval ahead of Option Selection. **Please send me OECA's response NLT Monday, 9/24.** If you see any problems please send me the name and phone number of the manager assigned to the decision so Bill can follow-up.

Please know that an email with the response is all I need but if you want you can use the official form available here:

Sara and Terri,

We have not received OECA's input on our request to waive the analytical blueprint for our MM2A action. Please let us know if you have any questions regarding our request. You can let us know by email or by completing the form following this link:
